**Members are encouraged to come directly after school and carpool or shuttle to the vote.** Only members can vote and are eligible for no-interest crisis loans from the union. Non-members can sign a membership card at the strike vote and will be able to vote.

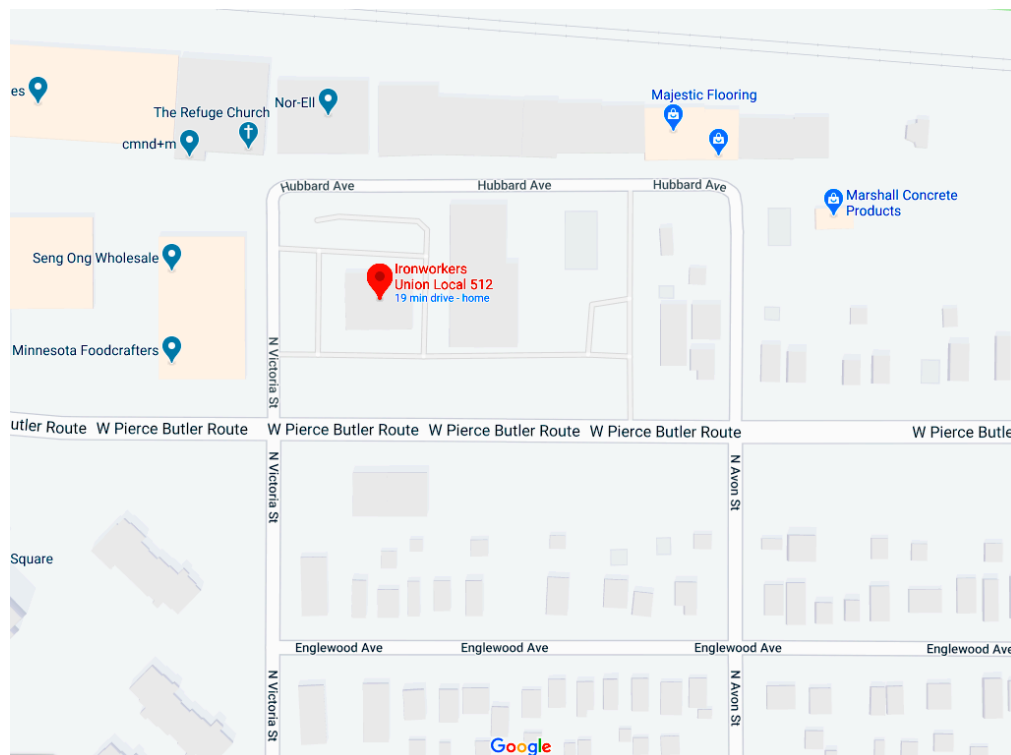

Voting will take place by secret ballot. Not voting **does not** count as a “No” vote.

Bargaining Team members and staff will be available during this time period to answer questions. Members in line at 8:00p.m. will be able to vote.

## Ironworkers Union Local 512

851 W Pierce Butler Route

St. Paul, MN 55104

Parking is located around the main building and by the education building next door. There is also street parking on Victoria and Hubbard. There will still be limited parking due to the volume of people coming to vote, so we highly recommend that folks carpool or take a shuttle to help reduce congestion.

# STRIKE VOTE SHUTTLE SERVICE

We will run a shuttle service from four locations across St. Paul on the day of the strike vote. The shuttle will take you to the vote, wait for you to vote, and then immediately take you back to your original location.

The shuttles from each site are open to any SPFE member.

**Check [www.spfe28.org](http://www.spfe28.org) for more information on shuttles and to sign-up. Information will be posted as soon as it is available.**
