

SAMPLE TWEETS

If you don't have Twitter feel free to share these on Facebook

Educators should start getting vaccinated in weeks. Let's wait to reopen schools to keep our community safe! #ReopenSafely

Tweet

Community spread is high. A more contagious strain has emerged. There won't be enough adults to staff schools if they are sick or quarantining. Let's wait to reopen our schools. #ReopenSafely

Tweet

Hey @SPPS_News. What's the plan to keep students and staff safe when they go back to school? Still waiting for the details. #ReopenSafely

Tweet

Let's make sure when we open our schools, they stay open. Vaccinating school staff will ensure the stability our students and families need. #ReopenSafely
