SECTION 2. RIGHT TO VIEWS. Nothing contained in this Agreement shall be construed to limit, impair, or affect the right of any employee to the expression or communication of a view, complaint or opinion on any matter related to the conditions or compensation of employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful, and proper performance of the duties of employment or circumvent the rights of the exclusive representative.

SECTION 3. RIGHT TO DUES CHECK OFF. Employees shall have the right to request and be granted payroll deduction for dues to be paid to the Federation. Upon receipt by the Payroll Department of a properly-executed authorization card of the employee involved, the District will deduct from the employee's paycheck the amount that the employee has agreed to pay to the Federation during the period provided in said authorization. Approval for this leave is contingent upon five (5) days written notice in advance, or as soon thereafter as possible, by the Federation to the Employee Relations Office of the District upon the proper request form, and upon approval by Human Resources. Such approval will not be unreasonably withheld.
ARTICLE 7. FEDERATION RIGHTS (continued)

ARTICLE 8. PROFESSIONAL WORKDAY AND WEEK (continued)

Subd. 3. Flex time may be scheduled in instances where the employee is required to work outside the normal work week. Unless otherwise authorized by the employee’s supervisor, flex time shall normally be used within the next three (3) calendar months following the extended workday or week. It is understood by the parties that Overtime Compensation under Fair Labor Standards Act (FLSA) does not apply to this unit of professional employees.

Subd. 4. This Article shall not be construed as, and is not, a guarantee of any hours of work per normal workday.

Subd. 5. Schedules, Assignments, and Additional Duties. Employees will perform the duties outlined in their job description. At the beginning of the school year and/or each semester, all employees will get a schedule from their supervisor or designee, that outlines their daily responsibilities and assignments. The responsibilities and assignments shall align with the employee’s job description. Except in extreme circumstances or emergencies, additional assignments shall not be directed to employees beyond their daily schedule.

Employees who have concerns about their schedule or changes to their schedule shall first meet with the individual who is responsible for creating their schedule. If there is not resolution at this level, employees may contact their building or department/program administrator to resolve. Employees may bring a union representative to these conversations for support.

ARTICLE 9. PROBATION

SECTION 1. NEW EMPLOYEE PROBATION. A newly appointed employee shall remain on probation for a period of one (1) full duty year. During the probationary period, the employee may be disciplined or have his/her employment terminated at the discretion of the Employer, and without recourse to the grievance procedure. For the purpose of this Article, “duty year” shall mean twelve (12) calendar months of active employment from the start date.

SECTION 2. NEW ASSIGNMENT PROBATION. An employee who has completed the one (1)-full duty year initial probationary period and subsequently undertakes a new position at the same level and job title, will then serve at the same level a ninety (90) calendar day probationary period. Subd. 1. Sick Leave. Sick leave shall be granted for absence due to personal illness or temporary disability (including pregnancy/related disability) which prevents an employee’s attendance at work and the performance of duties for such days, subject to the provisions of this Section. The employee shall, if requested, furnish such certificates and evidence of facts as may be required for verification. Sick leave requests shall be submitted on forms provided for that purpose.

1.9 Up to one hundred twenty (120) hours of accumulated sick leave may be used in a fiscal year to allow the employee to care for and attend to the serious or critical illness of his/her spouse, parent or member of the employees’ household. These days when used are deductible from accumulated sick leave.

1.10 **Sick Leave Conversion.** Employees who have and maintain a minimum of one hundred eighty (180) days of accumulated sick leave, may convert such sick leave days in excess of one hundred eighty (180) days to vacation time within the following limitations:

In cases which do involve such travel, two days of additional leave shall be granted for travel in excess of a two hundred (200) mile radius of St. Paul. Days used in this manner for extension of bereavement leave for travel purposes shall be permitted only so long as sick leave time is available, and such days shall be subtracted from sick leave. This is the only situation in which emergency sick leave may be granted before accumulated sick leave is exhausted. 9.7 If the number of approved requests for sabbatical leave exceeds the maximum number allowable, first consideration shall be given to the benefits the District should realize from the leaves. Secondary factors that shall be considered are the length of service and benefit to the individual. Consideration may also be given to the availability of a replacement should a leave be granted.

9.8 The sabbatical leave will be approved at the discretion of the HR Director.

9.9 Employee’s who are granted any sabbatical leave shall pledge themselves to return and serve the District for a period of one (1) contract year. In case an employee is unwilling to meet this obligation for service after sabbatical leave, he or she shall refund, to the District, over a period of one (1) year, the amount of compensation granted during leave. 3.3 The fees and expenses for the arbitrator’s services and proceedings shall be borne equally by the Employer and the Union. All other expenses shall be borne by the party incurring the expense. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.
ARTICLE  16.  SENIORITY

SECTION 1.  SENIORITY DATE.  The seniority date is derived from the first day of regular service as a School and Community Service Professional and shall continue thereafter. Promotions, demotions, or changes from part-time to full-time or to different salary schedules as a School and Community Service Professional shall not change an individual’s seniority date. The district shall compile and maintain the listing of seniority dates of employees in accordance with the provisions of this article.

When seniority is identical for two or more employees, the most senior employee shall be the employee with the lowest employee number.

SECTION 2.  LAYOFF PROCEDURES.  When the district affects a layoff in a job title, employees shall be laid off in reverse order of the employee’s seniority within that job title provided that the more senior employee is qualified to perform the job of the displaced employee. Laid off employees will have the right to apply for and be interviewed for other vacant positions within the School and Community Service Professionals group. Laid off employees retain the right to be recalled to open School and Community Service Professional positions for which they are qualified for up to twenty four (24) months. The District will create and maintain an official list of School and Community Service Professionals awaiting reinstatement. Employees discharged from employment for unsatisfactory work or other just cause, pursuant to Article 14, will not have displacement rights under the terms of this agreement and will not have reinstatement rights only at the discretion of the district.

SECTION 3.  EXCLUDED POSITIONS.  In some instances, specific unique positions may be designated as excluded from general seniority applicability, because unique skills or training are required of that position. The Federation and the District will agree on the list of “excluded positions” by March 1 of each year.

ARTICLE  17.  SUMMER POSITIONS.

Ten (10) month School and Community Service Professionals will have the first opportunity to fill all summer positions involving School and Community Service Professional bargaining unit positions (except for those positions already held by twelve [12] month School and Community Service Professionals). Ten (10) month School and Community Service Professionals will be given a period of 7 -days to apply for positions that are posted. In the event that more than one ten (10) month School and Community Service Professional applies for the same position, (provided the employee is qualified for the summer position) the most senior ten (10) month School and Community Service Professional shall be assigned to the position. Once the 7-day period has elapsed, the district may open the unfilled positions up to other SPPS employees. Ten (10) month School and Community Service Professionals who work a summer position shall be paid at their regular daily rate of pay.

ARTICLE  18.  STUDENT MENTAL HEALTH SUPPORTS.

SECTION 1.  STUDENT MENTAL HEALTH SUPPORTS

The District and the Federation agree that supporting student mental health and wellness in St. Paul is a critical step to addressing the predictability of disparities by race, socioeconomic status, and disability, and will accelerate learning and achievement for all students.

Student mental health needs are best served by a continuum of services and supports. This includes a team of trained professionals and support staff at each PreK-12 school including Licensed School Social Workers, Licensed School Counselors, Licensed School Psychologists, Licensed School Nurses, Health Assistants and Intervention Specialists.
ARTICLE 18. STUDENT MENTAL HEALTH SUPPORTS (continued)

To that end, the parties have agreed to the following:

For the 2022-2023 school year, the current number of district allocations directly serving students will remain. Positions may be reallocated across district sites. The current number of positions will be allocated to buildings based on enrollment and needs of the building and the students served. The parties agree to discuss allocations at the Professional Issues Committee and come to an agreement on final placements.

Starting with the 2023-2024 school year the parties will meet to review current enrollments and discuss allocations for the upcoming school year. The district will continue to work towards achieving the following staffing goals:

Intervention Specialists: A minimum of one per elementary school and a 1:300 staff to student ratio for secondary schools.

Subd. 1. School and Community Service Professional Titles on Mental Health Support Teams. Intervention Specialists will participate on the student mental health team.

SECTION 2. MENTAL HEALTH TRAINING FOR SCSPs

The school’s Mental Health Support Team will provide mental health and trauma informed training for up to 6 hours throughout the school year. Each site will work to schedule training according to school schedules, site-based needs and in coordination with the building administrator. Participation in training outside of the normal school day will be compensated at the employee’s hourly rate of pay.

Subd. 1. Intervention Specialist Support. Intervention Specialists, during their first year of employment, will consult with and be supported by a licensed member of the Mental Health Support Team, in implementing approved strategies.

Subd. 2. Professional Development for Intervention Specialists. All employees in an Intervention Specialist role will have the option of participating in quality monthly district-wide professional development. All efforts will be made to have this professional development scheduled during the workday. Participation in this professional development, outside of the normal work day, will be compensated at the employee’s hourly rate of pay.

Subd. 3. Non-violent Crisis Intervention Training. The district will provide NVCI training to all intervention specialists.
ARTICLE 19. RECRUITMENT AND RETENTION OF TEACHERS OF COLOR

The District will continue current practice in recruitment and retention of educators of color. In addition, the District will allocate $20,000 per contract year for the purpose of providing support and development of members of color in School and Community Service Professional, Education Assistant and Teacher Affinity Groups. A committee comprised of equal members of the District and members of all bargaining units of the Federation will determine how the allocated money shall be used.

ARTICLE 20. DISTRICT SPONSORED EDUCATOR LICENSURE PROGRAMS

Employees who resign from a bargaining unit position to participate in a St. Paul Public Schools sponsored educator licensure program (such as the St. Paul Urban Teacher Residency program) or who, while simultaneously working in the district, earn a licensure through an accredited program, will have rights back to an appropriate vacancy into the originating bargaining unit if the employee chooses to leave the program before completion, if the educator is denied a licensed position in Saint Paul Public Schools, or if an educator is denied tenure in St. Paul Public Schools after completion of the program. An educator who returns shall retain all rights of seniority, benefits, and progression on the salary schedule as though working during the period they participated in the program. Credits completed as a part of the program shall be considered as pre-approved by the district for purposes of lane changes. As additional educator licensure programs are being considered by SPPS, the Federation and the District will meet and confer, before implementation, to ensure that members are able to return to their prior unit.

ARTICLE 21. PARENT ENGAGEMENT

SECTION 1. PARENT TEACHER HOME VISITS

Subd. 1. The Teacher Home Visit Project was developed by parents in Sacramento, CA where it has been successfully implemented since 1998 and brought to Saint Paul by SPFE in 2010. The goals of the Teacher Home Visit Project are to build a stronger partnership between educators and parents, to promote Saint Paul Public Schools, and to work with parents to eliminate the achievement gap. The Teacher Home Visit Project operates on a model where parents are seen as an asset to the educational process. By meeting parents in an area of their comfort, educators have more success in working with them in partnership around academics.

School and Community Service Professional participation in the Teacher Home Visit project requires the following commitments:

1. Attendance at four (4) hour Parent/Teacher Home Visit training;
   For the first year a school and community service professional participates: completing at least one (1) visits with a minimum of 3 families;

2. For all additional years a school and community service professional participates: completing at least one (1) visit with a minimum of 8 families;

3. Payment of the stipends shall be made after the attendance of the fall and spring debrief sessions:

4. Document visits on project visit tracker.

Subd. 2. This program is different and separate from School and Community Service Professional jobs that include home visits as part of their regularly assigned duties.

Subd. 3. School and Community Service Professionals who participate in the Home Visit Project shall be paid an additional $50 stipend for each home visit conducted by the school and community service professional.
ARTICLE 21. PARENT ENGAGEMENT (continued)

Subd. 4. The total amount of payments under this Memorandum of Agreement shall not exceed $10,000 during the course of this agreement. In addition, no one SCSP employee can earn in excess of $1,750 during each school year. An agreement to visit the students with the greatest need for individualized attention as determined jointly by the SCSP and administrator or principal. The union and district will meet twice annually to evaluate the success of the Home Visit Project.

SECTION 2. ACADEMIC PARENT-TEACHER TEAMS

The parties will continue to support Academic Parent-Teacher Teams at schools that choose to participate, subject to the annual availability of District allocated funds.

The Academic Parent-Teacher Team (APTT) is based on a model developed by the Creighton School District in Arizona. This model replaces the two traditional parent-teacher conferences with three group conferences throughout the year and one individual conference. During the group conferences, where teachers meet at one time with all the families in their classroom, each family is provided with data showing their child’s performance indicators as well as the data for the class as a whole. Teachers then provide an in-depth coaching session on how to interpret the data in the context of overall classroom performance, school goals and state standards. Families are provided with strategies and tools to help support learning at home. Families then practice the strategies with their child’s teacher’s guidance. Together, with the teacher’s support, each family sets specific academic goals for their child and makes a plan for how they will achieve them.

APTT, especially when combined with a home visit, has been shown to raise achievement, lower disciplinary referrals and suspensions, and increase family involvement.

Subd. 1. An APTT Champion will be selected by the APTT Committee consisting of: the APTT coordinator; an SPFE representative; and a representative from the office of Family Engagement and Community Partnerships, in consultation with the school principal. The Champion will receive a stipend of $2,500 for the year that teacher serves as Champion. The Champion shall work with the building Principal and APTT Coordinator to identify resources needed to implement the APTT model. A job description of the Champion position and responsibilities will be maintained by the APTT Coordinator subject to approval by the APTT Committee. In order to receive the stipend, Champions must complete the responsibilities outlined in the Champion job description. The APTT Committee will solicit and seek to incorporate the input of the APTT Champions.

Subd. 2. The District will continue to provide one .75 APTT Coordinator position to coordinate implementation for the teachers implementing APTT. Both parties agree that PIC will be used to continue to assess additional supports needed before the end of this contract period.

Subd. 3. Training for APTT will be held during the summer and fall. Participants will be paid according to Article 12, Section 7.

Subd. 4. The schedule for the following school year will be altered to allow for the APTT classroom conferences. These conferences will be scheduled and employees may use Flex Time per Article 8. Scheduling will be done based on the expected needs of the families at that school, child care and interpreter services where applicable and other considerations identified by the staff at the school. At least three (3) 75 minute APTT conferences plus one individual parent conference of at least twenty (20) minutes shall be scheduled.
ARTICLE 21. PARENT ENGAGEMENT (continued)

Subd. 5. The APTT Coordinator will work with the Office of Family Engagement and Community Partnerships to coordinate the needed logistical supports for APTT conferences (translations, interpreters, child care, materials, etc.). The cost of logistics and implementation (translations, interpreters, and child care) of the APTT model will be covered by the District’s budget.

Subd. 6. The District will meet with the APTT Coordinator, Champions, and training team at least once annually to evaluate the success of the APTT project including feedback on family involvement, family satisfaction, family concerns and collaborate on communication and outreach strategies.

ARTICLE 22. MULTILINGUAL STAFFING AND SERVICES

The District and the Federation recognize and intend on realizing the following legal requirements through the implementation of this agreement:

• Public School Districts are required to communicate information to limited English proficient parents in a language they can understand about any program, service, or activity that is called to the attention of parents who are proficient in English.

• Schools must respond to a parent’s request for language assistance.

• Schools must provide translation and interpretation from appropriate and competent individuals and may not rely on or ask students, siblings, friends, or untrained school staff to translate or interpret for parents.

The parties agree that employing more staff who possess world language fluency in more of the native languages spoken by our students and families would improve our ability to meet student needs and build family and community engagement that is respectful and culturally relevant.

To that end, the parties have agreed to the following:

1. The District will establish a list of on-call interpreters for schools to access for both school-day and after-school interpreting needs, including parent teacher conferences. The interpreter’s role is to facilitate spoken communication between two or more people who use different languages. Any school-based staff who are members of the School and Community Service Professionals bargaining unit, who are not employed as interpreters but speak a second language can apply to be added to the on-call interpreter list. School-based staff shall not be pulled from their regularly scheduled duties to interpret except in the case of an emergency. On-call interpreters who interpret during breaks or for after-school events shall be paid the District interpreter rate for their services or their hourly rate of pay, whichever is greater. Employees who are not on this list should not be asked to interpret unless it is specifically part of their job description. The Special Education Department will continue to maintain a separate interpreter list of Special Education trained interpreters.
ARTICLE 22. MULTILINGUAL STAFFING AND SERVICES (continued)

2. The District will establish a list of on-call translators for schools to access for written translation needs. The translator’s role is to translate written communications into a different language. Any staff who are members of the School and Community Service Professionals bargaining unit, who are not employed as translators but write a second language can apply to be added to the on-call translator list. School-based staff on this list shall not be pulled from their regularly scheduled duties to translate except in the case of an emergency. On-call translators who translate shall be paid the District interpreter rate for their services or their hourly rate of pay, whichever is greater. Employees who are not on this list should not be asked to translate unless it is specifically part of their job description. The Special Education Department will continue to maintain a separate translator list of Special Education trained translators.

3. The District shall work with middle and secondary schools to establish a district-wide model for parent teacher conferences that staggers building conference nights to ensure the maximum number of interpreters are available for parents at each school.

ARTICLE 23. ACCESS TO TECHNOLOGY

SECTION 1. Access to Technology Needed to Perform Job Duties

The District and the Federation will jointly create a list of what job codes will be eligible for laptops and/or iPads, and will offer technology to these positions starting with the 2022-2023 school year. The Federation and the District agree to meet at least once a year to discuss job codes and technology needs. More meetings could be requested to discuss specific issues. These devices will follow the same refresh cycle as other district issued devices.

In order to assist in regular family communication and interpretation, EA multilingual employees will have access to one of the following or combination of Macbooks, iPads, smartphones, data hotspots and associated technology licenses; for example, district softphone solutions such as Google Voice, RingCentral, or similar tools. Access to these items will be determined by the group described in Section 1 paragraph 1.

In acknowledgement of ongoing technology needs and training, the district will provide educational assistants access to synchronous and asynchronous training. In addition, there will be an annual technology needs assessments, which will be developed and evaluated by the group described in Section 1 paragraph 1.

In order to assist in communicating with families, ECFE buses will be equipped with voice and text technology. Options could include cell phone, radio, hotspot + iPad.
ARTICLE 24. DURATION

SECTION 1. TERM AND REOPENING NEGOTIATIONS. This Agreement shall remain in full force and effect for a period commencing July 1, 2021, through June 30, 2023, except as otherwise specified herein. If either party desires to modify or amend this Agreement commencing on July 1, 2023 it shall give written notice of such intent no less than ninety (90) days prior to that date.

Subd. 1. Appendix A, the pay schedule attached to this Agreement, shall be effective as indicated therein.

SECTION 2. EFFECT. This Agreement constitutes the full and complete Agreement between the District and the Federation as the exclusive representative of this bargaining unit. The provisions herein relating to terms and conditions of employment supersede any all prior agreements, resolutions, practices, District policies, rules or regulations concerning terms and conditions of employment which are inconsistent with these provisions.

SECTION 3. FINALITY. Any matters relating to the current contract term, whether or not referred to in this Agreement, shall not be open for negotiation during this term of this Agreement except as stated in this Agreement.

SECTION 4. SEVERABILITY. All provisions of this Agreement are subject to the laws, rules, regulations, and orders of state and federal governments and their agencies. SCHEDULE C

The following Schedule C will be in effect at the beginning of the 2022-23 school year. The district and the union agree to meet and work collaboratively during the last part of 2022 and into the 2022-23 school year. The goals will be to review this new schedule design, review data, identify needs and develop procedures to ensure an equitable programmatic vision. In order to support reasonable access to a uniform student experience, modifications may be made as long as they are mutually agreed upon by both the district and the union.

The Schedule will sunset June 30, 2023 unless renewed by mutual consent of the district and the union.

If the district and union can not mutually agree to renew this Schedule C, with or without modifications, it will be replaced with the full Schedule C that appears in the 2019-21 Teachers Contract.

Track and Field will have a Head Coach and four assistant coaches. These five coaches will be responsible for both girls and boys track and field at all levels and competitions.

Tier 2: Tier 2 will require a Head Varsity coach, an Assistant Coach and a coach for each lower level team. These are: Soccer (Adapted, Boys, Girls), Tennis (Boys, Girls), Volleyball, Adapted Floor Hockey, Basketball (Boys, Girls), Ice Hockey (Boys, Girls), Wrestling, Softball (Adapted, Girls), Badminton, Baseball, Lacrosse (Boys, Girls),

Tier 3: Tier 3 will require a Head Varsity coach and an Assistant. Tier 3 sports have one team for all levels. These are: Cross Country (Boys, Girls), Swimming (Boys, Girls), Skiing (Alpine, Nordic), Gymnastics, Adapted Bowling, Golf (Boys, Girls)

Determining Number of Teams:

MEMORANDUM OF AGREEMENT

This Memorandum of Agreement is by and between the Board of Education, Independent School District No. 625 (hereinafter "District") and the Saint Paul Federation of Educators, Local No. 28 (hereinafter "Federation") exclusive representative of members of the Educational Assistant and School and Community Service Professional bargaining units. It is entered into for the sole purpose of establishing opportunities for Educational Assistants and School and Community Service Professionals to advance their career and become teachers (as defined by the SPFE Teacher Contract) in Saint Paul Public Schools.

Both the District and the Federation hold the intention that individuals approved for a paid leave (Item 1 below) who are offered a teaching contract, commit to working in the District if a position is available, for at least three (3) years after completion of their licensure program.

The District and the Federation agree that Educational Assistants and School and Community Service Professionals are an integral part of the Saint Paul Public School community and that providing them with assistance to become classroom teachers in Saint Paul Public Schools can strengthen and help diversify the teaching force. To that end, the parties have agreed to the following:

MEMORANDUM OF AGREEMENT
Regarding: Restorative Practices

Restorative Practices are a transformative approach to shifting school climate through a lens of equity and social justice. Restorative Practices at their center seek to create equitable, inclusive relationships and restore those relationships when harm occurs.

The District and the Federation acknowledge the importance of creating a positive climate and culture in every school that is conducive to learning. All stakeholders, (staff, families, students and community members) play a role in creating this positive school climate. We are committed to creating safe, inclusive, and positive environments that support academic, behavioral, and social-emotional success for all students.

The District and the Federation believe that:

- Given the diversity of Saint Paul Public Schools, no one approach can meet the needs of every school. Students and schools are well served when there is a multi-tiered system of support to meet the needs of the staff, students and families, utilizing culturally relevant PBIS Framework, Trauma Informed Practices and a menu of Social Emotional Learning (SEL) supports.
- Staff and students must experience emotional and physical safety in our schools.
- Building and nurturing strong relationships is foundational to all our work.
- School communities are happier, more cooperative, productive, and likely to experience positive changes in behavior when all members of that community work together to problem solve and have a voice in decisions.
- A restorative school culture values the education of the whole child, prioritizes the establishment of a relational community and re-affirmation of connection particularly when harm occurs and promotes multiple perspectives by empowering parents/family, students, and educators to view themselves as and to act as leaders
- Barriers to learning in our schools can only be solved when all involved share responsibility and are prepared to work together.

Moreover, Restorative Practices are ways for a school community to build relationships, problem solve, and learn. In this approach, relationships are the most important way we learn about the world and ourselves. A Restorative Practice school and community embody in both belief and practice that:

- Everyone in the school community is good, wise, and powerful.
- We are all connected to one another.
- All of us want to be in good, healthy relationships with others.
- We all have talents and gifts we bring to school.

It takes personal commitment, time, habits, and support to build and maintain positive practices, impulses and mindsets that nurture positive relationships.

SECTION 1. Exploration, Commitment and Practices that move towards District-Wide Restorative Culture

The District and the Federation share the value of restorative culture in our schools and believe that transformational shifts to include multiple perspectives and cultural means to restore relationships and community holds significant promise as a means to achieving safe, culturally respectful, equitable and just places.

We acknowledge the transformational possibilities of Restorative Practices and the reality that transformational work takes time. In this work, schools and educators will be encouraged to use the Restorative Practices Practice Profile.

The district encourages and welcomes all senior leaders participate in the following professional restorative practice experiences either all at once, or one day quarterly during the 2020-21 school year:

- Circle 1: 4 days Introduction to Community Building Circles, inclusive of Introduction to the Restorative Questions.

New senior leaders are encouraged to complete the professional restorative practice experiences within a calendar year of starting their position.
MEMORANDUM OF AGREEMENT Regarding: Restorative Practices (continued)

To support the continuing and expanding work of Restorative Practices, including the Education Innovation Research Grant schools, beginning in 2022 SPPS will fund one (1) School and Community Service Professional district-wide Restorative Practice Program Coordinator positions. This role will support the now 20+ schools exploring, implementing, and seeking supported learning and coaching in Restorative Practices.

The Restorative Practices Program Coordinator will work in a collaborative partnership with SPFE, all district employee groups, and schools in restorative practice development. The Restorative Practices Coordinator will report to the designated district administrator.

The Restorative Practice Program Coordinator and the Saint Paul Federation of Educators' Professional Development Leadership Coordinators will work collaboratively with local restorative practice community experts to continue to develop curriculum and training modules for the following purposes:

- To train school communities implementing restorative practices,
- To train individual educators who would like to implement restorative practices in their classrooms,
- To train parents and community members on restorative practices,
- To train trainers within SPPS and from community partners to conduct trainings for the above listed purposes.

Saint Paul Public Schools will establish a budget of $50,000 to RP Pilot or RP Sites for onboarding and professional development. These funds will be overseen jointly by the Office of School Support and the Saint Paul Federation of Educators.

The district will allocate $40,000 to compensate trained circle keepers to provide the necessary support when significant harm occurs at a school site or the need for healthier patterns or habits of professional community are warranted.

SECTION 2. Continued District Support for Current Restorative Practices Sites

The district will commit to the following:

- To ensure Restorative Practices readiness and initial implementation, the District will provide up to $20,000 to assist up to 2 buildings each year; money will be allocated on a weighted basis depending on the number of staff, to build the capacity and skills of existing staff to implement and modify their practices, and is contingent upon available funding.

- Maintaining an RP Coordinator for sites that have had 3 years of RP implementation, demonstrated an active commitment to implementing principles-centered, whole school restorative practices by participating in annual reflection and evaluation processes and reaching fidelity of implementation thresholds. Additionally, the school principal, assistant superintendent, district RP coordinator and external program evaluator will make the final staffing decision, contingent upon available funding.

- Providing a RP Coordinator for 3 years at sites that have completed the district readiness process, contingent upon available funding.

- Applying for two additional grants annually (each being for at least $100,000) to invest in and grow Restorative Practices in our district, including but not limited to a Mid-Phase Education Innovation Research Grant from the Federal Department of Education. Completed grant applications will be dependent on funding opportunities available. Quarterly meetings with the president of SPFE, Director of Office of School Supports, and leadership of the Grants Office of SPPS will occur for the purpose of reviewing prospective grant opportunities.
MEMORANDUM OF AGREEMENT Regarding: Restorative Practices (continued)

SECTION 3. Restorative Practice Steering Committee.

The Federation and the District will maintain the Restorative Practice Steering Committee.

- The committee will be comprised of no more than 15 individuals; no more than eight (8) appointed by the Federation and no more than seven (7) appointed by the District, with a minimum of five (5) secondary students appointed in total. Appointees shall include but not be limited to teachers, principals, students, family members, and community members.
- Notwithstanding the limit of 15 above, the committee composition may, subject to mutual agreement by the Federation and the District, grow to include representation from each pilot school site with appointees to be determined by each individual site, inclusive of student representation from each site.
- This committee, supported by the District and Federation, will work to develop:
  ▪ A district-wide working definition of restorative practices inclusive of multiple perspectives from racial equity, gender inclusion, school climate and cultural relevance.
  ▪ Create a long-term sustainable plan for the implementation and use of restorative practice.
  ▪ Seek ways to align and increase the effective use not only of restorative practice, but also of other tools and techniques that together can most effectively improve the relationships between students and adults.
  ▪ Empower the adults within the buildings to be leaders and create a system that supports a safe and positive learning environment.
  ▪ Identify and share best practices learned from Pilot Sites on the implementation of restorative practices in future sites.
- The restorative practices steering committee will present draft policy language for Saint Paul Public Schools to Senior Leadership. This draft policy language will articulate a district wide commitment to exploring, installing and implementing restorative practices system wide.
- The restorative practice (RP) steering committee will be funded with a $5,000 yearly budget.

The District and the Federation agree that this MOA shall sunset on June 30, 2025.

Statement of Intent Regarding School Restructuring

The District and the Union agree that one of the approaches to achieving the mutual goal of ensuring success for all students is to work together to restructure schools when it is deemed necessary. It is the intent of the Parties that School and Community Service Professional who work in schools to be restructured and administrators in these schools will work collaboratively to create effective learning environments for students. Employees and parents shall have a voice in designing programs and determining work rules that are likely to be successful in such schools. The Union and District agree that School and Community Professional who are working at restructured schools will be engaged in the discussions and process.

Statement of Intent Regarding Facilities Safety

The District will adopt clear policies and procedures about access to non-public work areas in order to help eliminate confusion about appropriate access. Input from the Federation on needed areas for improvement will be taken into consideration when developing these plans.

Statement of Agreement Regarding District Match

On 403(b) Retirement Savings Plan or 457 Deferred Compensation Plan forms, the District will remove the requirement for affirmatively checking to receive the district match. Employees who choose to participate in the 403(b) Retirement Savings Plan, or the 457 Deferred Compensation Plan, will automatically receive the match per their collective bargaining agreement.

Statement of Intent Regarding Enrollment Preference

The District and SPFE value racial, geographic, and socio-economic integration and equitable school choice. When district employees choose to enroll their children in the Saint Paul Public Schools it sends a strong message to the rest of our community about the excellence of our schools. In recognition of the service that district employees provide, the District will make reasonable efforts to accommodate a School Enrollment Choice Preference for all district employees.

In alignment with the 2021-22 school choice year, District administration will work with the Board of Education (BOE) policy work group to recommend a District Policy that provides a school choice enrollment preference for all district employees. At such time as a BOE policy is adopted, the SPFE Teacher Contract enrollment preference will sunset.

In the case that BOE does not adopt a policy for school choice enrollment preference for all district employees, EAs and SCSPs will be given this preference along with teachers for the school year 2021-22.
